POSTPONEMENT OF AGM

In view of Covid-19 and being in Level 2 it has put pressure on the running of our AGM. As with most clubs and organisations we have had to make a decision to postpone our AGM. RNZRSA confirm that these are unrepresented times and agree that clubs are to do what's best for the club.

Accordingly we have postponed our **AGM to Sunday 8th November 2020.**

Hopefully we will be in Level 1 by then. We have decided to be fair and do the whole process again as some nominees have changed circumstances and unable to stand now and likewise members who didn't consider this last time may like to make themselves available.

Nominations open on
Friday 25th September at 9.00am
and close on
Friday 16th October at 6.00pm

Your vote is extremely important, every financial member can vote.

Voting Starts
Tuesday 27th October at 9.00am
And closes
Friday 6th November at 7.00pm

RSA Manager

Well here we are again not sure what's happening, what we must cancel and what we can keep going.

It's very difficult indeed.

We had planned to start Jokers Wild on Wed 2nd and a new Progressive Jackpot on Thur 3rd however at the time of writing this it appears we will still be in Level 2 which means we can't.

However, the good news is that we are restarting our raffles with one seller at your table and you must remain seated and keep your social distance.

Also, we will carry on with our Karaoke Frid, Sat & Sun as this is proving very popular and bringing in lots of younger people. Well done Colin.

The happy hours, members/attendance draws will continue in the meantime.

When you visit the club please use the Covid tracer or we have a paper version if you do not have the app. Please sanitise your hands and keep your social distance and be seated at all times.

The Restaurant is still running on a limited menu until we know where we are, however, we are keeping the \$10 Specials going in the meantime. Once again you must remain seated.

Don't stay at home, come and enjoy your club, its warm and friendly and who knows you might win a raffle or the Jackpot.

Love to see you soon,
Bob Firth

Fishing Club

August has certainly not been an exciting time for the fishing club. We had 3 fishing trips booked going out from Whangamata of these the first 2 were called off because the weather was bad and the 3rd trip was called off because we went to level 2, also our AGM prize giving and supper was postponed because of level 2, we will review the whole situation before our September meeting and a newsletter will be sent out to all members to let them know what's happening. Only one good thing the fish will be growing fatter and when we can go fishing, we will catch some big ones.

Cheers Jeanette Club Captain

These are unprecedented times, and although we are finding it difficult to plan too far ahead, we are able to operate the Club on a day to day basis without too much disruption. A thank you to Colin Bowler for supplying and operating the Karaoke machine whilst other entertainment is in abeyance. Hopefully, we will return to level one in the not too distant future. In the meantime, the tribute to the Rolling Stones show "Brown Sugar" has been re-scheduled to Saturday 19th September.

Mount RSA Library

We would like to thank you all for your kind donations of books but we currently have enough books and will not be accepting any more

Boliva

A very big thank you to Shirley and our Bolivia Group for their kind donation of \$700.00 given to the Mt RSA while they have temporarily wound up due to Covid 19. The money has gone towards our new Courtesy Coach.

CHESS

The Chess club continues its program and this is now the business end of the year where our Championship finals are upon us. Players who have qualified throughout the year get to play in the finals, and everyone else players in a casual group. The casual group is where we see some surprises come from. Here is where players find their relaxation, fun and learning.

Car Park

Please note, that the speed limit in the car park is 5km and must be observed at all times.

We have a number of elderly residents and members who use wheelchairs and walkers. Speeding in the car park is hazardous and contravenes our health and safety policy
