

### **Important message**

**The Regional Public Health have asked for this to made available to our members and visitors to the Mount Maunganui RSA**

**Please read it carefully and if you were resent on any of the days mentioned please follow the recomendations**

Kia ora Mr King,

As we discussed, it would be very helpful if you could send out a reminder email to your club members. If you could please remind them that if they had been at the club on the dates of the 15<sup>th</sup>, 16<sup>th</sup>, 17<sup>th</sup>, 19<sup>th</sup>, 20<sup>th</sup> 22<sup>nd</sup> and 24<sup>th</sup> of December then they to get tested and isolate until the results of the test have come back as negative.

If they have any symptoms at all – even just a mild runny nose or slight cough then they need to get another test, continue to isolate, and contact Healthline on 0800 358 5453 or their GP. They could also register as a close contact on the Ministry of Health’s location of interest website.
